Lending Criteria

While each loan application is considered on its own merits, to qualify for a Prometheus loan your project will need to have clear social or environmental benefits. If in doubt as to whether your project fits within our criteria, please enquire first before submitting an application.

In addition the project must:

- have a clearly stated purpose or goal
- be financially viable and secure
- be able to offer good security for the loan

Written Application Guidelines

Please set out the details of your project on separate paper in your own way. It will give us a better picture of what you want to achieve and will help us to assess your loan application.

Please write to us about the following:

Project details:

- a short background/history to your project, pictures may be helpful
- your aims and purpose,
- why your project will be successful
- any risks you perceive

People involved:

- a brief background of yourselves outlining any experience relevant to this project.
- information about key professionals involved in the project.
- any indication of community support (where relevant)

Finances:

- personal financial information (on the forms provided) or relevant Family Trust financial information showing why this is a viable project.
- a project budget and your own equity contribution
- details on how the loan money would be spent

Supporting Documents (where applicable):

- Partnership Agreement or Trust Deed
- Planning and Resource Consent
- Valuation (Government or independent)
- Copy of Certificate of Title and Sale and Purchase Agreement etc.
